Web Site Help

Overview

Please click on the links provided to access other site page or other external sites. Some pages will open in a separate window or box. To exit these and return to the original page please click on the 'X' button at the top right hand corner of the page.

Some pages will open in the same , original, window. To exit this type of page click on the left pointing arrow at the top left of the window.

Linking to Other Sites

If you connect to other sites and want to return to the Gosport SA site click on the 'X' button at the top right hand corner of the window. However, some sites may not always react as predicted. If this is the case this is due to the set up of the other site and is beyond the control of the Gosport SA Webmaster.

To report any problems or ask for help with any difficulties contact the [Gosport SA Webmaster](#) who will assist where possible.
